Expert Medical Scientists announced starting results obtained by Semipine New York.—Thousands are taking advantage of the generous offer made by the Woodworth Co.

1181 Broadway, New York City, requesting an experimental package of Semipine, the great discovery for Asthma, Hay Fever, Bronchitis, and Cataract, which is smaller tree of charge to all that ask for it. It is curing thousands of the most stubborn cases. It makes no difference how long you have been suffering or how severe the climatic conditions are where you are living. Semipine will cure you.

If you have experimented with other treatments and have failed to find a cure do not be discouraged but send for a trial of this wonderful remedy which is a scientific compound discovery by a professor of Vienna University, and is being recommended by thousands.

Saturday, July 8, The Central church building is to be sold for debt.

Through the aid of the Ohio Christian Missionary society a complete canvas has been made of the city for aid in trying to save it. Many have pledged their support to help buy it in when sold. Having exhausted every available means this seems to be the churches only hope for existence in this city. We can only bid to the amount of cash we have in sight, therefore we call upon all the members and friends to be ready with their money so we can bid to the limit of our possibility and retain our church home if possible.

The reader of this paper will be pleased to bear in mind that there is at least one dredged disease that science has been able to cure in all its stages and that is Cataract. Half a Cataract Cure is the only safe guarantee of a permanent recovery. Cataract being a constitutional disease requires a constitutional treatment. Half a Cataract Cure is taken internally, acting directly upon the eye, thereby destroying the foundation of the disease and giving the latent strength back, building up the constitution and making it strong again. The promotorate have so much faith in its curative powers that they offer One Hundred Dollars for any case that fails to cure. Send to Dr. St. John, 1000 Main street, Toledo, O.
